

# 2018 IEEE Electrical Insulation Conference (EIC)

## Paper submission process

1. Paper submission deadline is January 22<sup>nd</sup>.
2. Use the attached format templates for IEEE Conference proceedings
  - a. Word document link:  
[https://www.ieee.org/conferences\\_events/conferences/publishing/templates.html](https://www.ieee.org/conferences_events/conferences/publishing/templates.html)
  - b. Select US letter form updated on May 2017
    - ♦ Accessing the templates
  - c.

Microsoft Word

    - US letter (ZIP, 35 KB) Updated May 2017
    - A4 (DOC, 56 KB)
3. Complete your paper following the format and fonts properly as described in the template.
  - a. Make sure your figures are well numbered and legible for the reader
  - b. Make sure you DO NOT modify the fonts suggested in the template
  - c. The technical committee will return the document for corrections if needed
4. Once the word document has been completed, the document MUST pass the IEEE PDFXpress pdf verification. To use IEEE PDF Xpress, follow the instructions below.
  - a. Go to <http://www.pdf-express.org/instructions.asp#Format>
  - b. The IEEE PDF Xpress web site will allow you to convert your word document into a PDF file and ensure your PDF document is in compliance with the IEEE publications formats.
  - c. The conference ID is **40322xp**.
  - d. Once the PDF file has been created and passed the PDFExpress verification, you may upload your file to the website under your account.
5. You should receive a confirmation when we receive your word and pdf final paper.
6. You MUST provide an IEEE Copyright document. Papers will not be accepted into the conference without a properly filled out IEEE Copyright document!
  - a. See the provided IEEE Copyright form in pdf file format.
  - b. You can add text on this form.
  - c. Items marked with "X" MUST be filled out. Forms not properly filled out will be returned.
